CLARKE COLLEGE
Newton, Mississippi

For the past nine months this has been our world—the campus of Clarke Memorial College. Within this year lies a world of memories which will remain special to each individual. In the following pages we, the annual staff, have tried to capture a few moments of this wonderful year. We hope that the '68 SEER will always be a special reminder of the many memories of each of our lives at CMC.

Sincerely,

Missie Brown
